UPCOMING PHASE 2 INTENSIVES

P2Is coming to Seattle, San Francisco, Dallas (TBD), and Denver (TBD)

Our regular Phase 2 10-week follow-up is a significant part of the success to MMFC, in that it helps men to continue engaging after they have experienced the Phase 1 weekend, as well as transitioning into Phase 3. There are so many great ministries available, but very few of them offer much follow-up. This is where MMFC is strong!

And for those men, especially outside of Colorado, who aren't able to attend a 10-week Phase 2, an alternative option available to them is called a "Phase 2 Intensive". This is a condensed yet intense version of the 10-week Phase 2 compressed into a Friday & Saturday format. It typically is led by 2 or more experienced Phase 2 coleaders, and can be provided in a remote/out-of-Colorado location with a commitment of at least 4 men attending. Men who have completed the Phase 1 weekend are eligible to attend a P2I. Upcoming P2Is include:

- Seattle, WA - June 27-28
- San Francisco/Bay Area - July or August
- Dallas, TX - coordination in process for July or August
- Denver, CO - possible late Summer
