MMFC KENYA MISSION TRIP UPDATE

Our mission trip has been rebooked for October 9-22, 2008.

Isaiah 55:8

"For my thoughts are not your thoughts, neither are your ways my ways," declares the Lord. "As the heavens are higher than the earth, so are my ways higher than your ways and my thoughts than your thoughts."

AFRICA

Kenya has been a country of political unrest since their elections on December 27, 2007. The opposition party has alleged that the incumbent fraudulently rigged the election outcome leading to his victory. This spurred violence from the various tribal communities within Kenya leading to bloodshed (over 1,000 have been murdered) and more than 300,000 Kenyans have been displaced from their homes due to the violence. It's not over, but progress is being made!

Update/News:

Kenyan President Mwai Kibaki, left, and opposition leader Raila Odinga, react, after signing a power-sharing agreement in Nairobi, Kenya, Thursday, Feb. 28, 2008, after weeks of bitter negotiations on how to end the country's deadly post election crisis. Both claim to have won the country's December 27 presidential election, which observers say was marred by rigging on both sides. Let us continue to pray for peace in Kenya and guidance for our MMFC mission team.

AWESOME ADVANCED TRAINING!

A total of 64 men had a glorious time serving one another and being served via the power of the Holy Spirit. It was like having a Phase 3 group 4 times in a row - it was INTENSE!

Additionally, we learned how to worship using drums and making a glorious noise to the Lord. We sharpened our Godly mission statements and focused on praying in the quiet. Thanks to all who led in key roles - Peet James, Denis Hoelting, Scott Higgins, Mike Eckstine, Greg Downs, Pat Maloney, John Lager and Spice.

NEW MMFC ELDER BOARD

If you are 55 years or older please join our new Elder Board!

Denis Hoelting is leading the development of our new MMFC elder body! If you are age 55 or older and have completed your initial Phase 1 Weekend - we encourage you to contact Denis Hoelting at hoeltingdj@gmail.com.

One of the key roles the MMFC elders will be asked to do is to mentor younger men (under the age of 50). They will in effect be the Barnabas to the "MMFC Timothy's."

UPCOMING PHASE 2 INTENSIVES

P2I coming to Denver in April

Our regular Phase 2 10-week follow-up is a significant part of the success to MMFC, in that it helps men to continue engaging after they have experienced the Phase 1 weekend, as well as transitioning into Phase 3. There are so many great ministries available, but very few of them offer much follow-up. This is where MMFC is strong!

And for those men, especially outside of Colorado, who aren't able to attend a 10-week Phase 2, an alternative option available to them is called a "Phase 2 Intensive". This is a condensed yet intense version of the 10-week Phase 2 compressed into a Friday & Saturday format. It typically is led by 2 or more experienced Phase 2 coleaders, and can be provided in a remote/out-of-Colorado location with a commitment of at least 4 men attending. Men who have completed the Phase 1 weekend are eligible to attend a P2I. Upcoming P2Is include:

- Denver, CO - April 11-12 and possibly April 25-26 (TBD). Contact Rob Berg at rob.berg@enserca.com for details.
- Possible upcoming P2I in Hays, Kansas (TBD)
